Gluten-Free Goodness at Minsky's

We've been earnest in our ongoing goal to provide a dining option to meet needs of those with celiac disease or have a sensitivity to gluten.

Minsky's has received GREAT Kitchens training from the National Foundation for Celiac Awareness. Our standard is to train and test employees to assure we provide best practices and preparation of gluten-free products in a restaurant that handles both gluten-free and gluten products. Our menu does not contain wheat, barley or rye.

Gourmet and going to stay that way.
