**If there is something you really liked on a previous menu and we still have all the ingredients, we will gladly prepare it for you.**

#### UPDATED OPERATIONS

Minsky's has implemented a Microbial Reductions System from Synexis, the first company to create and patent gas phase hydrogen peroxide that is used for occupied spaces. The new system reduces contaminants such as viruses (including the Coronavirus), bacteria and mold, making it an even safer space for our customers to dine and enjoy themselves.

Thank you again for choosing Minsky's Pizza - we're glad you're here!

Sincerely,  
**Gregg Johnson, CEO and Founder**
